

Straight through Type Manual operated Diaphragm Valve Technical specification

- Type: KB type (Full bore)/ Straight Through type
- Rating: #150
- Body MOC: CI IS210 GR 20
- Bonnet MOC: CI IS210 GR 20
- Indicator bush: PP yellow
- Compressor: CI IS210 GR 20
- Spindle MOC: WCB
- Diaphragm MOC: HT Neoprene Rubber
- Body lining: Soft Rubber lining
- Working Temperature: 40 degree c
- Working fluid: Neutral uranium slurry
- Ph: Alkaline
- Bonnet bolts: M.S
- Dowel pin: Carbon steel
- End connections: Flanges ANSI B16.5 both sides with rubber lined.
