JUNE 25, 2021

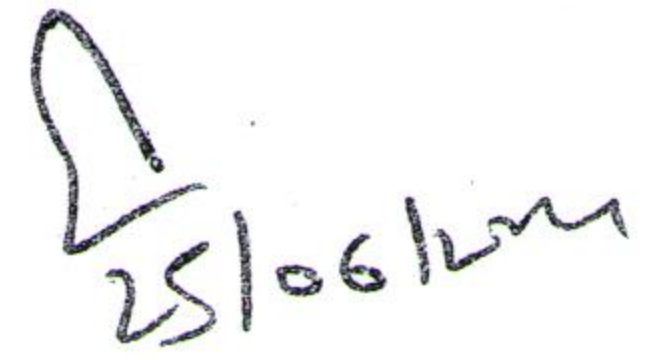

CIRCULAR

In terms of clause-6.1 of *UCIL Medical Attendance Rules* and clause-16 of *Contributory Scheme for Post-retirement Medical facilities for officers & supervisors*, the maximum time limit for submission of medical claim for reimbursement is 3 months, beyond which the claim stands forfeited.

However, it has been reported that due to prevalent situation constrained by COVID-19 pandemic across the country, adherence to the above time-limit is seemingly practically difficult.

In order to ease off the above constraint, it has been decided to extend the above time-limit from 3 months to 6 months till 31st March, 2022.

This issue has been concurred upon by the competent authority.
