

Specification for Ultrasonic Level Transmitter

1	Type	Ultrasonic level transmitter for liquid application
2	Connection type	2 - Wire
3	Range	0 -7 mtrs
4	Accuracy	0.1 % of Full Scale
5	Measurement	Level
6	Process Temperature	Ambient (5 to 45 deg. C)
7	Application	Liquid
8	Emitting Frequency	Vendor to specify
9	Beam Angle	< 30 deg
10	Display	4 line 20 Character LCD display
11	Programming Keys	Through feather touch keys mounted on Transmitter
12	Programming Mode	Programming through Programmable keys, HART
13	Cable Entry	1 x cable entry 1/2 NPT
14	Material	
a	Housing	Painted aluminium die casting
b	Antenna	Painted aluminium die casting
c	Flange	Steel
16	Protection	IP 67
17	Make	Siemens, Endress & Hauser, Krone Marshall , Wikia , ABB ,Honeywell, Vega,Emerson
