

As per recent communication received from the sellers, it has been known that Manufacturer has stopped manufacturing of 125 gms soap. Now, Lifebuoy soap available in 100 gms pack size. Hence, in order to issue tender on CPP Portal, indenter may like to review description of the item and may provide estimated value in view of 7.1.1. of PWCP, 2017.

File is being referred to the indenter for comments regarding above.
